What is the Aon Risk Reward Challenge?

The Aon Risk Reward Challenge is a season-long competition on the PGA TOUR and LPGA Tour testing the abilities of the world's best players to make thoughtful, strategic decisions on the most challenging holes ("Aon Risk Reward Challenge holes") throughout the year.

At the end of the regular season, the most consistent player across each tour, with the lowest average score under par, on the Aon Risk Reward Challenge holes captures the \$1 million prize.

Aon is committed to a diverse workforce and an inclusive culture where everyone can thrive, ensuring delivery of the best innovative solutions for clients. As such, providing equal prize money to both the PGA and LPGA Tours aligns with Aon's core values and brand.

Aon's Risk Reward Challenge Scoring

One hole is selected at each tournament as the designated Aon Risk Reward Challenge hole for the week (hole is strategically challenging in nature).

For every participating event, a player's best two scores on the designated hole counts towards the season-long leaderboard.

The player with lowest average score under par across the regular season wins the Aon Risk Reward Challenge and will be awarded at the CME Group Tour Championship.
