Located in Naples, Florida, Tiburón Golf Club features two 18-hole, Greg Norman-designed golf courses, The Gold and The Black. Tiburón’s Gold Course opened in 1998 and the Black Course opened in 2001. Both courses play to a par of 72 and feature five sets of tees. The Gold Course can play as long as 7,382 yards, while The Black Course can play up to 6,949 yards from the championship tees. The 295-room Ritz-Carlton Naples, Tiburón sits adjacent to the two award-winning courses, while the 450-room Ritz-Carlton Beach Hotel is just a few miles away. The semi-private club has been designated as a Certified Audubon Cooperative Sanctuary by Audubon International.

Tournament History: [The CME Group Tour Championship](#)

The LPGA Tour season finishes with the CME Group Tour Championship. Players accumulate points at each official LPGA Tour event throughout the season leading up to the CME Group Tour Championship. The top 60 points earners and ties will then earn a spot in the CME Group Tour Championship, with the entire field competing for the \$11 million purse and the \$4 million winner’s check, the largest single prize in the history of women’s golf.
