

The Amundi Evian Championship

Evian Resort Golf Club

July 11-14, 2024

Tournament Course Setup Notes and Daily Yardages

Grass Types and Cutting Heights

Tees, Fairways and Rough:

Tees and fairways will be cut each morning to a height of 11mm. They are a combination of Bentgrass and Poa Annua. The rough height is 9cm and will be cut as needed. The grass type for the rough is Bluegrass & Fescue.

Greens:

The greens are Bentgrass/Poa Annua and will be double cut with a single roll each morning. An evening mow may be added to help maintain our target green speed of 11.5'-12' on the stimpmeter.

Approaches / Green Surrounds:

The approaches/green surrounds made up of Bentgrass/Poa Annua will be cut to 11cm each morning.

Golf Course and Site Information:

The first 9 holes were built in 1904 and was enlarged to 18 holes in 1922. In 1994 the course held its first Evian Masters, traditionally held each fall. By 2012 the event became the LPGA's fifth major and became The Evian Championship. An extensive course renovation was completed in 2013.
