

This week on the LPGA Tour:

JM Eagle LA Championship presented by Plastpro at Wilshire Country Club

Aon Insight

The tee shot at 15 at Wilshire Country Club is one of the most important on the golf course. Players who missed this fairway last year were penalized more than half a stroke (+0.54 to par). Meanwhile, extra distance off the tee is more valuable here than anywhere else on the property, with players picking up 0.14 strokes for an extra 25 yards off the tee. A premium drive will greatly influence the second shot decision by players: the last two years, the 35.6% who went for the green picked up more than three-tenths of a shot over those who chose to lay up.

What is the Aon Risk Reward Challenge?

The Aon Risk Reward Challenge is a season-long competition on the LPGA Tour testing the abilities of the world's best players to make thoughtful, strategic decisions on the most challenging holes ("Aon Risk Reward Challenge holes") throughout the year.

At the end of the regular season, the most consistent player on Tour, with the lowest average score under par, on the Aon Risk Reward Challenge holes captures the \$1 million prize and the Aon trophy.

Aon's Risk Reward Challenge Scoring

One hole is selected at each tournament as the designated Aon Risk Reward Challenge hole for the week (hole is strategically challenging in nature).

For every participating event, a player's best two scores on the designated hole counts towards the season-long leaderboard.

The player with lowest average score under par across the regular season wins the Aon Risk Reward Challenge and will be awarded at the CME Group Tour Championship.

Aon and the PGA TOUR

The 2024 season will showcase the next evolution of Aon's partnership with the PGA TOUR, which will integrate the use of real-time analytics and capitalize on changes to the TOUR's reimagined 2024 schedule.

Aon will headline the Aon Next 10 and the Aon Swing 5, which recognize better decision-making and the elite performance required to break into Signature Events.

Key elements of the Aon Risk Reward Challenge program have evolved to "Better Decisions Breakdown" segments that use emerging technology to provide real-time analysis of player decisions. To learn more, visit
