#### Top Notes to Know From Round 2:

- \*Early/late wave averaged 1.2 strokes lower over first 36 holes than late/early
- \*Grace Kim: 14.34 strokes gained total; most by any player through 2 rounds this season
- \*Grace Kim: 90.0% scrambling through 2 rounds (57.5% this season entering the week)
- \*Hannah Green: +3.58 strokes gained total per round last 4 years at Wilshire CC
- \*Maja Stark: 94.4% scrambling, +5.18 SG total in last 3 rounds on LPGA Tour

\*There's no question that the players who went out in the early/late waves had an advantage over their counterparts: players with an early-late tee-time split had an average 36-hole total score 1.2 strokes lower. All seven players at 5-under or better entering the weekend came from the easier wave.
