

JM Eagle LA Championship presented by Plastpro
Wilshire Country Club
April 22 - 28, 2024

Tournament Course Setup Notes and Daily Yardages

Grass Types and Cutting Heights
<p>Tees, Fairways and Rough:</p> <p>Tees, fairways, and rough consist of 419 Tifway bermudagrass. Tees are cut daily at .350" and fairways are cut to .450" every day. The rough is maintained between 2" - 2.5" in height.</p>
<p>Greens:</p> <p>Greens are poa annua and are single-cut to .100" and single-rolled every morning to maintain 12'0" - 12'6" on the stimpmeter.</p>
<p>Approaches / Green Surrounds:</p> <p>Approaches are mowed every evening at .350", and collars at .220"</p>
<p>Golf Course and Site Information:</p> <p>Constructed in 1919 by Norman Macbeth, Wilshire Country Club is located in the Hancock Park/Greater Wilshire neighborhood of Los Angeles, near Hollywood. A winding barranca is in play at more than half the holes and is responsible for draining over 37,000 acres of LA.</p>
<p>Additional Daily Maintenance Information:</p>
