

# This week on the LPGA Tour:

## Maybank Championship at Kuala Lumpur Golf & Country Club

### Aon Insight

The short, par-4 at Kuala Lumpur will require better decisions and execution regardless of the day's setup. Water lines the left side of the hole, with bunkers on the right side of the fairway, putting a premium on accuracy. When playing the forward tees, the scoring average is expected to be .25 strokes lower than from the back tees. With the tees moved back, less than 20% of the field is expected to go for the green with their drive. The percentage of players going for the green jumps to over 50% when playing the forward tees. If laying up, players will try and aim at the first right bunker, leaving just a wedge into the challenging green.

### What is the Aon Risk Reward Challenge?

The Aon Risk Reward Challenge is a season-long competition on the LPGA Tour testing the abilities of the world's best players to make thoughtful, strategic decisions on the most challenging holes ("Aon Risk Reward Challenge holes") throughout the year.

At the end of the regular season, the most consistent player on Tour, with the lowest average score under par, on the Aon Risk Reward Challenge holes captures the \$1 million prize and the Aon trophy.

### Aon's Risk Reward Challenge Scoring

One hole is selected at each tournament as the designated Aon Risk Reward Challenge hole for the week (hole is strategically challenging in nature).

For every participating event, a player's best two scores on the designated hole counts towards the season-long leaderboard.

The player with lowest average score under par across the regular season wins the Aon Risk Reward Challenge and will be awarded at the CME Group Tour Championship.

### Aon and the PGA TOUR

The 2024 season will showcase the next evolution of Aon's partnership with the PGA TOUR, which will integrate the use of real-time analytics and capitalize on changes to the TOUR's reimagined 2024 schedule.

Aon will headline the Aon Next 10 and the Aon Swing 5, which recognize better decision-making and the elite performance required to break into Signature Events.
