

# This week on the LPGA Tour:

## Mizuho Americas Open at Liberty National Golf Club

### Aon Insight

The 16th at Liberty National is a short par four that plays dramatically different depending on which tee box is in play. With the back tees in play in rounds one and two last year, almost nobody in the field was able to go for the green. With the tees moved up on the weekend, more than 63% made the better decision to go for it - with the field making birdie or eagle nearly half the time. Rose Zhang's tee shot in the third round found the green and gained 1.2 strokes on the field as she went on to an historic win.

### What is the Aon Risk Reward Challenge?

The Aon Risk Reward Challenge is a season-long competition on the LPGA Tour testing the abilities of the world's best players to make thoughtful, strategic decisions on the most challenging holes ("Aon Risk Reward Challenge holes") throughout the year.

At the end of the regular season, the most consistent player on Tour, with the lowest average score under par, on the Aon Risk Reward Challenge holes captures the \$1 million prize and the Aon trophy.

### Aon's Risk Reward Challenge Scoring

One hole is selected at each tournament as the designated Aon Risk Reward Challenge hole for the week (hole is strategically challenging in nature).

For every participating event, a player's best two scores on the designated hole counts towards the season-long leaderboard.

The player with lowest average score under par across the regular season wins the Aon Risk Reward Challenge and will be awarded at the CME Group Tour Championship.

### Aon and the PGA TOUR

The 2024 season will showcase the next evolution of Aon's partnership with the PGA TOUR, which will integrate the use of real-time analytics and capitalize on changes to the TOUR's reimagined 2024 schedule.

Aon will headline the Aon Next 10 and the Aon Swing 5, which recognize better decision-making and the elite performance required to break into Signature Events.
