Tournament Course Setup Notes and Daily Yardages - Professionals

Grass Types and Cutting Heights

Tees, Fairways and Rough:

Tees, fairways and rough are A-4 Bent Grass. Tee and fairways are mowed each morning with tees at .250" and fairways at .375". Rough has been topped at 2.75".

Greens:

Greens are Bent Grass cut at .120" with a double cut and roll each morning. We will maintain speeds between 11.5 - 12'.

Approaches / Green Surrounds:

Approaches and collars are also A-4 Bent Grass with approaches mowed every morning at .250" and collars mowed every morning at .187".

Golf Course and Site Information:

Our 18-hole Championship Golf Course reflects the detailed expertise of 1992 U.S. Open Champion Tom Kite and renowned golf course architect Bob Cupp, who collaborated on the design. Kite & Cupp's parkland links style layout of Liberty National is dramatic and yet traditional, taking into account the site's cultural heritage, aesthetic principles, and elements of light and shadow. Golfers enjoy magnificent views of the Statue of Liberty, the New York Harbor, Manhattan Skyline, and the Verrazano Narrows Bridge.

Additional Daily Maintenance Information:
