Pinnacle Country Club

**Aon Insight**

The 14th hole at Pinnacle CC is a par five that has played drastically different in the past depending on which tee box is in play. Traditionally, the back tees are in use for rounds one and two. From there, players have prioritized position off the tee rather than distance, with less than 30% of players using driver. In the final round, the tees move up more than 70 yards. Players have decided to use driver from that tee 85% of the time, with the hole playing more than one-third of a stroke easier in relation to par.
