| <b>Tees, Fairways and Rough:</b><br>The Tees and Fairways are Zoysia Matrella. Tees are mown each evening at 12 mm. Fairways are mown each evening at 12 mm. The Rough is Zoysia Japonica and was mown during advance week to maintain a height of cut of 65 mm.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>Greens:</b><br>Greens are double mown and single rolled each morning to maintain a speed of 11.5' - 12' (3.5 - 3.65 M). Greens are mown at 2.8 mm. Additional maintenance practices may be performed to maintain speed throughout tournament week.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Approaches / Green Surrounds:</b><br>Approaches and Collars are Zoysia Matrella. Approaches are mown every evening at 12 mm. Collars are mown every morning at 12 mm .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| <b>Golf Course and Site Information:</b><br>Pine Beach Golf Links is Korea's only seaside cliff-style links course, set against the stunning rias coastline of Haenam. Designed to preserve the natural terrain, the course offers both scenic beauty and strategic challenge. World-renowned golf course architects Gary Roger Baird and David M. Dale created a layout where waves, wind, and cliffs combine to deliver a dramatic golfing experience. Featuring warm-season bentgrass for year-round course quality, the club also offers premium services such as ocean-view golf villas and fine southern cuisine. Pine Beach has been recognized by both domestic and international media — including Golf Digest and Golf Magazine — with accolades such as "Top 10 Courses in Korea," "Top 100 Courses in Asia," and "Most Beautiful Par 3 Hole." |
| <b>Additional Daily Maintenance Information:</b><br>Green speed this morning was 11' 10".                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
