Tournament Course Setup Notes and Daily Yardages

Grass Types and Cutting Heights
Tees, Fairways and Rough
Tees and fairways are Bermudagrass. Tees and fairways are mown at 12mm. The rough is bermudagrass and was topped off during advance week at 55mm.
Greens
Greens are bentgrass and were single cut at 3.5 mm and rolled.
Approaches / Collars
Approaches and collars are Bermudagrass. Approaches are mown in the morning at 12 mm and collars are mown in the afternoon to 10 mm.
Golf Course and Site Information
Last year's 2024 edition of the Buick LPGA Shanghai introduced a new altered presentation of fairway shaping from previous years to present a new challenge for the LPGA Tour. On more than 1,000 acres of land, designed according to the layout of lakes and mounds under natural conditions, the drop and fluctuation of the fairway are unique, breaking the traditional "flat" layout of Shanghai.
