<b>Golf Course and Site Information:</b> The Jack Nicklaus Signature Golf Course at Carlton Woods opened in 2001 to rave reviews and high acclaim. Designed personally by Jack Nicklaus, the generous teeing grounds and landing areas wind among lakes and parklands, and the greens feature an intriguing design of undulation and bunkering. Upon it's arrival, the Nicklaus course was named the "Best New Private Course in Texas" and "#3 Best New Private Course in the U.S." by Golf Digest. In 2014, Jack Nicklaus named his course at Carlton Woods one of the Top 18 Course Designs in his illustrious career. In 2023, greens were restored to their original size, new grass grown in to tees and fairways, and new sand along with a few new bunkers were added.
