Extended forecast – Mostly sunny and dry conditions will continue on Friday. Cloud cover will build in overnight into Saturday and then in the late evening/overnight a line of thunderstorms is expected. These will clear out early Sunday morning leading to a mostly sunny day, but thunderstorm chances return on Monday. Lighter winds are expected Friday and Saturday as they turn to the S and SW, but breezy conditions return on Sunday and into Monday with up to 20mph (30km/hr) wind gusts.
