Extended Forecast – Multiple waves of showers/tstorms are expected across the region tomorrow and Friday. Partly cloudy skies are expected on Saturday with chances for developing tstorms returning to the area on Sunday into early next week. Overnight lows will be in the 60s with daytime highs in the upper 70s tomorrow increasing into the 80s through the rest of the period. Highs could briefly touch 90F on Saturday. Winds are expected to remain relatively light during the morning hours with afternoon gusts ranging from 15-22 mph.

Forecast prepared by DTN meteorologist Marcus Hustedde.
