Golf Course and Site Information
Midland Country Club, founded in 1928 by Dr. Hale, Gilbert A. Currie along with Dr. Herbert H. Dow. The original golf course design was overseen by Mr. Currie and he was named the first president of the newly formed Club. All 18-holes officially opened on July 1, 1928. The clubhouse you see today was constructed in 2009 and officially opened on Mother's Day 2010.
