Winds (mph)	LV → W/SW 5-10	LV → W 7-14	W/SW 10-15 G25	LV → W 7-14	LV → W 6-12

**Extended forecast** – Unseasonably warm conditions will hold steady across the region through Thursday before a slight cooling trend begins into the weekend. Generally bright and sunny skies are expected most days this week with a few bouts of upper-level clouds roaming the skies at times, mainly during the weekend. Winds out of the west/southwest will enhance Thursday with peak conditions Friday. Gusts Friday may reach 20-25mph at times through the afternoon hours.

Forecast prepared by meteorologist Tim Calamari.
