Extended Forecast – Partly cloudy to mostly sunny skies are expected for majority of the period except for Wednesday morning when a slight chance of showers will be in place. Majority of shower activity will favor higher elevations to the north of the course. Overnight lows will be in the mid-70s with daytime highs in the mid to upper 80s. Winds will persist ENE to E with gusts generally between 15-25 mph.

Forecast prepared by DTN meteorologist Marcus Hustedde.
