Extended Forecast – A few additional waves of passing showers will be possible tomorrow and Friday with more dry time expected than showers. Mostly sunny skies are then expected on Saturday with partly cloudy skies developing by the end of the weekend. Overnight lows will be in the lower to mid-70s with daytime highs in the mid to upper 80s. Winds will generally be E/ENE with afternoon gusts around 18-22 mph. The exception will be on Friday when lighter winds will be in place with PM winds SSW 5-10 mph.

Forecast prepared by DTN meteorologist Marcus Hustedde.
