

Mizuho Americas Open - PROFESSIONALS YARDAGES							
Liberty National Golf Club							
May 8 - 11, 2025							
Tournament Course Setup Notes and Daily Yardages							
Grass Types and Cutting Heights							
Tees, Fairways and Rough: Tees (Bent) are cut to .300" in the morning. Fairways (Bent) are cut to .375" in the morning. The Rough (Kentucky Bluegrass) is maintained as needed at 2 1/2".							
Greens: Greens (Bent) are cut to .120" and rolled every morning. If needed, they will also be cut in the evening.							
Approaches / Collars: Collars and approaches (both Bent) are cut to .200" and .300" respectively. Collars are cut in the evening, while approaches are cut in the morning.							
Golf Course and Site Information: Tom Kite and Bob Cupp transformed a once heavily contaminated industrial site into Liberty National Golf Club, a world-class course opened in 2006 with strategic design and stunning views of the Statue of Liberty, the New York Harbor, the Manhattan Skyline, and the Verrazano Narrows Bridge.							
Additional Daily Maintenance Information:
