PRE-TOURNAMENT AVAILABILITY SCHEDULE

Rolex Rankings No. 1 Nelly Korda

Korda on how she has been able to achieve so much success at The ANNIKA

"Yeah, I know it definitely helps that I've had so much success out here, but also being a Florida girl, being used to the Bermuda grass. My home course Concession kind of has a similar vibe to the golf course here. And then at the end getting the support from all my family and friends that come out is always another motivating factor. So I think overall in general I just feel comfortable out here."

Rolex Rankings No. 8 Charley Hull

Hull on what her goal is headed into the closing stretch of the season

"Well, it would be nice to get a win. Obviously, I've won round the golf course next week back in 2016 and come second here, so hopefully I can get it going because I like the two weeks."

Defending Champion Linn Grant

Grant reflecting on her play at The ANNIKA last year and the winning moment

“Oh, wow, just a lot of fun. I mean, such a relief. At the time I felt like I didn't have the season I would've wanted, and then to finish it off with that win was just so amazing. To have my parents on site, to have Pontus on the bag, yeah, just great memories.”

LPGA Tour Rookie Melanie Green

Green on attending this event as a spectator while at the University of South Florida to now playing in it as a professional

“We were talking about it and it is like a full circle a little bit. You know, just to be able to play the golf course from the tees that the pros are playing from, you know, to have the book and to -- just to have the full circle moment is really cool and we were talking about it.”

Sponsor Invite Scarlett Schremmer

Schremmer on the emotions and feelings ahead of her LPGA Tour debut

“Yeah, I think there is a lot surrounding it. I would be lying if I said I didn't go to bed every day for the last month thinking about teeing off. Just trying to approach it like any other tournament and just going through my routine on every shot. I'm excited to make my debut with my mom on my bag, especially because she has a history of playing on Tour. And, gosh, it will be a really fun week. It's awesome to have my first start at Annika's event because she's pretty much done it all. I'm just really excited for what the next few days have in this store.”

Sponsor Invite Annabelle Pancake-Webb

Pancake-Webb on her first impressions of Pelican Golf Club

“The course is incredible. It's in amazing shape. I was able to play a couple weeks ago with some members and get a feel for the course, and, I mean, there is not a blade of grass out of place. The greens are incredible. They're undulating. They're fast today but I know by the weekend they'll be even firmer and faster, so I'm excited to see them in prime condition.”
