QUOTABLES

Yuri Yoshida (1, -17) on earning her first LPGA Tour win

"It's a special moment for me, and actually, I was nervous. But at this moment, I'm really happy."

Hyo Joo Kim (T4, -15) on how it feels to play in front of Korean fans

"Honestly, when I play here in Korea, having so many fans come out and support me gives me a tremendous amount of energy. I think that's why I'm able to look a little more upbeat out there and put up better results."

Jodi Ewart Shadoff (T6, -14) on battling through the conditions to past two days

"The rounds are long. It was definitely difficult the last couple holes just to stay focused but yeah, I mean, I just have to take each shot as they come and just try and do your best."

Grace Kim (T6, -14) on what she had to focus on this week

"I think it's just a matter of staying patient. Again, like I said yesterday, everyone's kind of in the same boat. So yeah, making sure I kind of don't get too harsh on myself for making bogey. The course, you can make a lot of birdies, but you can make a lot of bogeys, as well. Just staying patient paid off."
