Extended forecast – Wednesday, mostly sunny and dry with light west to southwest breezes. Thursday, a slight chance of an isolated shower/storm may develop after 12pm, with higher chances Thursday night. Winds increase from the south-southwest, with gusts to 20-22 mph Thursday afternoon. Friday, a weak front moving through the area will bring a chance of a few widely scattered showers and storms in the area. Winds will be light from the southwest Friday. Saturday, mostly sunny, dry, and light/variable breezes. Sunday, mostly sunny and dry weather is expected. Winds Sunday come up slightly from the south-southwest, with gusts reaching 10-15 mph in the afternoon. Areas of morning fog cannot be ruled out prior to 9am both Saturday and Sunday.

Forecast prepared by DTN meteorologist Kyle Schanus.
