

Fortinet Founders Cup
Sharon Heights Golf & Country Club
March 19-22, 2026

Tournament Course Setup Notes and Daily Yardages

Grass Types and Cutting Heights

Tees, Fairways and Rough:
Tees are cut to .275" in the evening. Fairways are cut to .375" in the morning. Both of those are Bentgrass. The final Rough cut (Ryegrass) was 2.25" and completed on Saturday of advance week.

Greens:
Greens (Bentgrass) are cut to .105" and rolled and cut every morning with a possible roll or cut in the evening.

Approaches / Green Surrounds:
Collars are cut to .275" every morning.

Golf Course and Site Information:
Built in 1962, Sharon Heights Golf & Country Club has provided a five-star country club experience where golf, dining and recreation are presented in a casually elegant style. A finished redesign in 2024 by Todd Eckenrode, the new Sharon Heights golf course is truly something special and has already earned rave reviews from their membership and peaked interest from the region. The use of native spaces, seasonal creeks, multiple varieties of grass specifically chosen for our climate, and bunkering worthy of magazine covers, has created a very appealing aesthetic and massively improved playing conditions.

Additional Daily Maintenance Information:
