Notable

- Last year, Lake Nona was one of only three U.S. course on tour with Poa greens.
- It was a hurricane-free year, so no sodium was added to the soil from the hurricane rain. That means this year's overseed is much healthier without the extra sodium.
- Last year, Lake Nona was the only U.S. course on tour with Poa trivialis overseed greens.
- Dolimpio's child was born the week after tournament last year.
- Dolimpio's wife likes animals and the family has 2 dogs, 2 cats, 2 miniature horses, 1 goat and 1 alpaca.
- 2025 stat notable on next page.
