Greens in Regulation: Haeran Ryu, 77.49%

Scrambling Percentage: Hyo Joo Kim, 68.32%

Average Driving Distance: Julia Lopez Ramirez, 285.42 yards

2025 SEASON-LONG INITIATIVES

Race to CME Globe

The Race to the CME Globe is a season-long points competition with LPGA Tour Members accumulating points in every official LPGA Tour event to qualify for the season-ending tournament, the CME Group Tour Championship. The player who wins the CME Group Tour Championship is named the "Race to the CME Globe Champion." The top 60 points earners and ties earn a spot into the season finale with the entire field competing for a \$11 million purse, highlighted by a \$4 million winner's check, which is the largest winner's prize in the history of women's golf.

- First event of the 2026 season for players to begin earning points towards the Race to the CME Globe standings
- In 2025, **Jeeno Thitikul** earned the most points with 4,066.950 in 20 starts
 - Thitikul also the Race to the CME Globe champion (winner of the CME Group Tour Championship)
 - Successfully defended her title after winning in 2024 as well
 - Three wins in 20 starts and 19 total top 10s in 2025

Aon Risk Reward Challenge: No. 15 (Par 5) at Lake Nona Golf and Country Club

The Aon Risk Reward Challenge is a unique, season-long competition on the LPGA Tour that highlights the game's best players as they navigate some of the most strategically challenging holes on tour. Players will take their best two scores from each Aon Risk Reward Challenge hole, with the winners having the best average score to par at the end of the regular season. The winner will take home the Aon trophy and a \$1 Million prize.

- First Aon Risk Reward challenge hole of the 2026 season
- While this hole has yielded a birdie-or-better more than 40% of the time when playing just over 500 yards, things get interesting when the tees are pushed up. The forward tee shortens this hole by 77 yards and is expected to improve scoring on this par 5 by nearly half-a-stroke.
- With different wind conditions in 2023, the decision to go for the green dropped significantly (from 36% to 23%) compared to 2022.
- Being the last par-5 on the back-nine, the 15th hole is a scoring chance for this week's field. Players must decide whether the location of their drive has given them a good enough opportunity to go for the green and take advantage of this reachable par 5.

CME Group Cares Challenge

The CME Group Cares Challenge is a season-long charitable giving program that turns aces into donations. CME Group donates \$20,000 for each hole-in-one made on the LPGA Tour in 2025, with a minimum guaranteed donation of \$500,000 to St. Jude Children's Research Hospital, which is leading the way in how the world understands, treats and defeats childhood cancer and life-threatening diseases.

- There were 22 holes in one throughout the 2025 season
- The total for 2025 was \$440,000 donated toward St. Jude Children's Research Hospital
- 332 all-time eligible holes-in-one since the program started in 2019
- \$3,380,000 all-time amount donated
