Extended forecast – This weekend and into early next week conditions will remain similar each day. The mornings and early afternoons will be partly cloudy to mostly sunny. The temperature will approach 90F (32C) with a heat index near 95F (35C) daily. Winds will remain from the north in the morning and south in the afternoons around 10mph with a few wind gusts of 15mph. As the wind shifts each afternoon this will introduce pop-up thunderstorm and shower chances, with the highest chance between 3-5pm daily.
