QUOTABLE

Haeran Ryu (1st, -13) on her laughing after her final putt drop

"Yeah, right. I felt like, yeah, it was feels like dream and I cannot trust right now. Now feel like dream and that's why I laugh a lot on the last hole. And then a lot of players waiting for me by next to the green and I saw the Amy is there, so she's like, let's go, Haeran, with the two bottles of champagne, so that's why I laugh a lot there."

Ina Yoon (2nd, -11) on her finish this week

"It's hard to describe. Grateful to, you know, have a really valuable experience that I have today. Little disappointed yesterday and today, but I think I did pretty good job being under pressure and it's just part of golf. I think it's going to be really big lesson in the big picture, big future, and, yeah, was really -- I was having

really fun today, yesterday as well. I mean, this week was great. Playing my life I think. I had fun with Kevin. And Haeran played unbelievable today. Brooke, I like to play her, play with her all the time. She's such a nice girl. I learn a lot today, this week."

Brooke Henderson (T3, -10) on the connection between her game and mental game this week

"Yeah, for sure. Even early on Thursday I was on a high because she was born Thursday morning. Couple times I was in a rough spot and I was like, it's okay. Life is good. And it just kind of helped me, and then I was able to birdie and get it under par after that. So I feel like mentally having kind of great weeks like this is really exciting. Yeah, looking forward to continuing good momentum. There is a lot of golf to be played this year, and hopefully I'll be a lot more final groups."

Dewi Weber (T3, -10) on if this finish changes her life in anyway

"Sort of. It takes a lot of stress off of my life. I don't think we'll be making any like super big purchases or whatever. I think life just kind of moves on. Yeah, it takes some stress -- honestly a lot of stress away from my life. Absolutely. So in that way it's life changing, but it's not like -- man, we live in LA. Everything is expensive. My wife and I joke that I have to win this tournament like three times in order to afford a house where we live. So yeah, life changing in the sense that I can go through life a bit more stress-free. Of course with our little one coming in December, this helps a ton. But, yeah, we will still be living the same life, probably living in the same townhomes that we live in. Like everything will just remain the same."

Nelly Korda (T8, -6) on if she was feeling the momentum after her birdie on No. 10

"I was just trying to take it a shot at a time really. I didn't know where the leaders were at, so I was just trying to focus at myself, yeah."
