

# This week on the LPGA Tour:

## Kroger Queen City Championship presented by P&G at Maketewah Country Club

### Aon Insight

The par-5 14th at Maketewah Country Club is a dogleg left that challenges players with decision-making on both the tee shot and approach. Off the tee, players must decide how aggressive of a line to take while avoiding/covering bunkers along the left side of the fairway. Positioning is critical, as players who successfully navigate the tee shot are typically left with between 200–250 yards into the green. From there, the hole presents a second key choice: attempt to reach the green in two or lay up to a preferred yardage. The green complex is heavily protected, with three bunkers guarding the front-left side and additional bunkering running along the entire right side.

### About Aon

Aon is a leading global professional services firm providing a broad range of risk, retirement and health solutions. Our 50,000 colleagues in 120 countries empower results for clients by using proprietary data and analytics to deliver insights that reduce volatility and improve performance.

Aon's golf partnerships are anchored by a clear narrative – insight derived from data and delivered by experts – our sports partnerships allow us to connect authentically with our clients and colleagues around their passion points.

### What is the Aon Risk Reward Challenge?

The Aon Risk Reward Challenge is a season-long competition on the LPGA Tour testing the abilities of the world's best players to make thoughtful, strategic decisions on the most challenging holes ("Aon Risk Reward Challenge holes") throughout the year.

At the end of the regular season, the most consistent player on Tour, with the lowest average score under par, on the Aon Risk Reward Challenge holes captures the \$1 million prize and the Aon trophy.

### Aon's Risk Reward Challenge Scoring

One hole is selected at each tournament as the designated Aon Risk Reward Challenge hole for the week (hole is strategically challenging in nature).

For every participating event, a player's best two scores on the designated hole counts towards the season-long leaderboard.

The player with lowest average score under par across the regular season wins the Aon Risk Reward Challenge and will be awarded at the CME Group Tour Championship.

### Aon and the PGA TOUR

The 2026 season will showcase the continuation of Aon's partnership with the PGA TOUR, which will integrate the use of real-time analytics and capitalize on changes to the TOUR's reimagined 2026 schedule.

Aon will headline the Aon Next 10 and the Aon Swing 5, which recognize better decision-making and the elite performance required to break into Signature Events. **Key elements of the Aon Risk Reward Challenge program have evolved to "Better Decision Breakdown" segments that use emerging technology to provide real-time analysis of player decisions.
