Saturday – Rain showers are expected to begin around 10am. Periods of drizzle and light rain are expected through 2pm. After 2pm, a few heavier showers and a risk of lightning is possible, especially between 4-6pm. Winds will return to the SW and remain around 10mph with wind gusts up to 20mph, strongest in periods of rain. Temperatures will remain cool only reaching the upper 50s by the afternoon.
