Sunday – A light layer of fog is decreasing and expected to clear the course by 6-7am. The morning and afternoon are expected to be dry and partly to mostly cloudy. In the late afternoon, rain showers will become more likely with a low risk of a rumble of thunder. Winds will stay lower with sustained winds near 10mph and wind gusts up to 20mph in the afternoon. Temperatures will rebound reaching the low 70s in the early afternoon. **Rainfall: 0.10-0.25" | Sunrise: 5:44am/Sunset: 8:02pm**
