Extended forecast – A wetter pattern continues with rain showers possible Friday afternoon. Throughout Saturday rain showers are likely, and a rumble of thunder cannot be ruled out during the afternoon. Additional rain showers, are possible Sunday but look to hold off until the evening into Monday morning for the end of the weekend. Winds will remain gusty throughout the week, with sustained winds in the teens and wind gusts ranging between 20-25 mph daily. Temperatures will be much cooler with highs in the low 60s and lows in the 40s to 50s. There is a chance of frost Friday morning.
