QUOTABLE

Laetitia Beck (1, -8) on how her putting helped her game today

"It was going well today for sure. I think the confidence that I had from the other day during the pro-am, making putts, reading the lines properly, helped me trusting that I could see the line even though the greens might be a little bumpy. And I've been working on the strokes, and I feel more comfortable than I used to before. Distance control was always descent this year, and the few times that I did like not hit is close I was able to putt it very close to the hole. Yeah, again, I made a few 15-footers that I usually don't make, so that's why -- it was nice to keep going and keep making birdies."

Nicole Broch Estrup (2, -7) on returning to the LPGA Tour after having son Max

"I mean, it feels great. Yeah, I mean, I've been looking forward to coming back for a long time, so to be here and just be able to travel with Max and Kasper as well, I feel very grateful to be out here again. Yeah, today's score is just an extra bonus really."

Polly Mack (T3, -6) on her eagle on No. 3

"Yeah, sure. I hit a driver off the tee; had about 1 maybe 90, 188 to the pin. I believe it was a little downwind -- must have been downwind then. A little rough lie, so we knew, okay, just landing short of the green or just on the green is perfect. Came out nicely out of the rough, sat nicely, and just rolled past the pin just on the fringe. Was about an 80-footer. Decided to do putt it because it was playing really nicely. Had about a (indiscernible) left to right downhill, and, yeah, was just rolling very smoothly. Just perfect break how I read it and perfect speed, too, and rolled nicely in there."

Brianna Chacon (T3, -6) on the rise of women's sports

"I mean, the growth in women's sports has been tremendous. It's been amazing to watch. Not only in golf, but I feel like in all sports. So there has been a huge rise in the LPGA lately, which has been really cool to see and be a part of it, so I'm excited to see how much further it goes."

Arpichaya Yubol (T3, -6) on how her high finish in Mexico gave her confidence

"I think that it's going to be help me a lot. So I know now like how to play like when I'm score like by like the top score. So it's golf. Every day it's different. You know, especially ShopRite. I'm always doing good on the first round and then sometime the second round is not work on me. So but by this year I think I have to think the new thing. Just keep focus on my game. Don't think about a lot of the score, and then just try to enjoy I think the big crowd today. Like many people come to watching that's interesting. And then tomorrow said today is going to be like more people, right? It's going to be excited for me. That's fun. But you have to play so just play on your game and then just enjoy like on your round, yeah."
