Tournament Course Setup Notes and Daily Yardages

Grass Types and Cutting Heights

Tees, Fairways and Rough:

The Tees and Fairways are Bentgrass/Annual Bluegrass (poa annua). Tees are mown each evening at .400". Fairways are mown each morning at .400". The Rough is Bluegrass/Ryegrass/Tall Fescue and was mown during advance week to maintain a height of cut at 3".

Greens:

Greens are Bentgrass/Annual Bluegrass (poa annua). They are single mown at .115" and single rolled each morning to maintain a speed of 11.5' - 12'. Additional maintenance practices may be performed to maintain speed throughout tournament week.

Approaches / Green Surrounds:

Approaches and Collars are Bentgrass/Annual Bluegrass (poa annua) are mown every morning at .385".

Golf Course and Site Information:

The Bay Course opened in 1914 and was designed by Hugh Wilson and Donald Ross. The course features classic mounding, high faced bunkers, plus small greens with subtle undulations. Tall fescue grasses guard many of the bunkers and the Bay Course is dramatically affected by the severity of the winds rolling off the Bay and the Atlantic Ocean. Players enjoy views of Reeds Bay and the skyline of Atlantic City from various locations on the course.

Additional Daily Maintenance Information:

Average green speed this morning was 12' 1".
