## WHAT THE CAPTAINS SAID

"Allisen and Nelly seem to have a nice rapport. I felt like they've earned the right to go out first. We can talk about Nelly and her being the number one player in the world but don't sleep on Allisen. I've called her the backbone of our team and she's pretty tough. That dynamic, there's a lot of good things going on in that pairing and they complement each other pretty well."

**Angela Stanford, U.S. Team Captain**

"Charley has been such a great player at this event over the years. This is her eighth Solheim Cup, and it's really grown on her. She and Carlota are the most experienced players. She has been buzzing. She's so excited. She's a really fun player to be around with banter and I couldn't wait to play her soon enough."
